After years of research and fund raising professor Barbedas finally found the scrolls of Bonehead. For years it was believed that these scrolls never existed.

This find will for sure rock the religious world since the Jehomadas will dispute the validity of these scrolls because they will contradict the teachings of their prophet.

AFTER LAST WEEKS FIND OF THE MISSING SCROLLS THE TENSION IS RISING BETWEEN THE JEHOMADAS AND THE FOLLOWERS OF THE SCROLLS.

FOR YEARS RESEARCHERS BELIEVED THESE SCROLLS NEVER EXISTED. RIDICULED BY MANY, PROFESSOR BARBEDAS FINALLY PROVED THEM WRONG WITH THE FIND OF SIX SCROLLS WHICH HE BELIEVES ARE THE TEACHINGS OF BONEHEAD.

preading worldwide after archaeological

WE ASKED PROFESSOR BARBEDAS FOR ANY COMMENTS FOLLOWING HIS RECENT DISCOVERY...

AT THIS MOMENT HE COULD ONLY SAY THAT THESE SCROLLS WILL REVEAL SOME TRUTHS THAT WOULD SHOCK ALL RELIGIOUS LEADERS WORLD WIDE AND MIGHT EVEN REWRITE HISTORY. IN ABOUT TWO MONTHS HE WILL REVEAL MORE AFTER VERIFYING ALL THE DATA...

NOW FOR SOME MORE GLOBAL NEWS...
